

PAX A60

CorePOS transforms the checkout into a modern, elegant retail experience. Designed to help stores put the customer first, CorePOS streamlines every sale with smart tools, smooth workflows, and real-time insights.

PAX A60 — a sleek, handheld Android™ terminal built for retail on the move. With an integrated printer, camera-based scanning, and secure payments, it's perfect for serving customers anywhere: in-aisle, curbside, or at pop-up locations. CorePOS keeps everything connected, so your team stays fast, flexible, and ready.
