PAX A800

CorePOS transforms the checkout into a modern, elegant retail experience. Designed to help stores put the customer first, CorePOS streamlines every sale with smart tools, smooth workflows, and real-time insights.

PAX A800 — a compact Android™ terminal built for flexible checkout across any retail setting. With an intuitive touchscreen, integrated printer, and full support for contactless, chip, and QR payments, it's perfect for countertop use or mobile service. CorePOS keeps every transaction fast, connected, and effortless.
