

PAX A920 PRO

CorePOS transforms the checkout into a modern, elegant retail experience. Designed to help stores put the customer first, CorePOS streamlines every sale with smart tools, smooth workflows, and real-time insights.

PAX A920 Pro runs CorePOS with enhanced speed and mobility, combining a large touchscreen, integrated printer, and full payment capabilities in a refined, portable design. CorePOS links A920 Pro to your retail operations in real time — from inventory and pricing to transactions and staff activity — giving you complete visibility and control on the go.
