

PAX E770

CorePOS transforms the checkout into a modern, elegant retail experience. Designed to help stores put the customer first, CorePOS streamlines every sale with smart tools, smooth workflows, and real-time insights.

PAX E770 enhances CorePOS with a compact Android™ smart terminal that brings together barcode scanning, receipt printing, and full payment capabilities — all in one handheld device. Its mobility and all-in-one design make it perfect for queue busting, table service, or line-free checkout, while CorePOS delivers a seamless, connected retail experience.
