

PAX M8

CorePOS transforms the checkout into a modern, elegant retail experience. Designed to help stores put the customer first, CorePOS streamlines every sale with smart tools, smooth workflows, and real-time insights.

PAX M8 — a lightweight Android™ tablet designed for retail mobility and flexibility. With a large HD display, built-in scanner, and full payment support, it's perfect for clienteling, assisted selling, or taking checkout beyond the counter. Paired with CorePOS, M8 transforms into a mobile retail station — syncing orders, products, and analytics directly with your store's back-office in real time.
